6. Lighting installed by Declarant, including the costs of electricity for the lighting at the entry and abutting NE Delaware Avenue.

7. Cost of insurance premiums as determined necessary by the Board of Directors to insure the Association Responsibility Elements and to provide liability insurance for the Association, including insurance to indemnify the Board of Directors against claims of action or inaction.

In the event that the need for maintenance or repair of any portion of the Common Area, the improvements thereof, or of any Association Responsibility Elements or Common Elements is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests or invitees of an Owner, the cost of such maintenance or repair, shall be added to and become part of the assessment to which the Owner is subject, shall be a lien upon the Lot and living unit of such Owner, and shall become due and payable upon demand.

B. Membership and Voting Rights

1. Membership and Voting. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment hereunder. Ownership of a Lot shall be the sole qualification for membership. Subject to provisions of Section 2 of this Article, the Owners of a Lot shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any Lot.

2. Declarant as Sole Voting Member. Notwithstanding any other provision of this Declaration, Declarant shall be the sole voting Member of the Association for so long as it holds title to any Lot in Kimberley Estates Plat 1, or until Declarant waives, in writing, its right to be the sole voting Member. As such sole voting Member, Declarant shall have the right to elect all Directors of the Association and to cast all votes as it deems appropriate. Each Owner by acceptance of a deed to a Lot shall be deemed to have released Declarant from all claims with respect to actions taken or not taken while Declarant controls the Association.

3. Board of Directors. The voting Members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association.

4. Suspension of Voting Rights. The Association shall suspend the voting rights of a Member for any period during which any assessment hereunder against the Member's Lot remains unpaid and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.

5. Notice of Member's Meeting. Unless the Articles of Incorporation or the By-Laws otherwise provide, written notice stating the place, day, and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered no less than five (5) nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the president or secretary, or the officer or persons calling the meetings, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States Mail addressed to the Member at the Member's address as it appears on the records of the Association, with postage thereon prepaid. So long as Declarant is the sole voting member of the Association, no regular or special membership meeting of the Association need be held.

6. Duration. No dissolution of the Association shall occur unless another association or equivalent entity has been created to succeed to the duties and responsibilities of the Association under this Declaration.

C. Covenant for Maintenance Assessments

1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) monthly or annual assessments or charges, (2) special assessments for capital improvements and operating deficits, and (3) special assessments as provided in this Article VIII; such assessments to be established and collected as hereinafter provided. The monthly or annual and special assessments, together with interest, late charges, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, late charges, costs, and reasonable attorney's fees, shall also be the joint and several personal obligation of each person who was the Owner of such property at the time when the assessment fell due. Each Owner shall be responsible for a portion of such expenses equal to one over the number of single family living unit homes completed for occupancy.

2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Properties and for the Improvements, maintenance, repair, replacement, removal and demolition of Association Responsibility Elements, the Common Elements, and for other purposes specifically provided herein.

3. Initiation Fee. At the Closing of the initial Lot sale, after the residence has been constructed, and the title is transferred to the homeowner, the new Owner shall pay to the Association an initiation fee of \$500.00. Such fee shall be shown the Closing Statement and shall be collected and paid to the Association by the Closing Agent.

4. Maximum Assessments. Until January 31 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment for each Owner shall be \$1,000.00. Thereafter, the maximum annual assessment may be increased, but such increase shall not be more than ten percent (10%) greater than the maximum assessment for the previous year for the aggregate of all items included in the annual assessment. The Board of Directors shall fix the annual assessment at an amount not in excess of the maximum.

A portion of such annual assessments may be set aside or otherwise allocated in a separate reserve fund for the purpose of providing repair, replacement, removal and demolition of the Common Elements, the Association Responsibility Elements, or any capital improvement that the Association is required to maintain. The Directors of the Association shall be responsible for establishing the funding levels required.

Once the Declarant or Association, as applicable, has given the Owners written notice of any change in the annual assessment or any special assessment, the Declarant and Association shall not be required to submit annual statements for assessments to any Owner. All annual payments (and any special assessments that can be paid on an annual basis) shall be made annually on or before January 31. Any special assessments that cannot be paid on an annual basis shall be due and paid as stated in the notice of such special assessment, which due date can be no sooner than thirty (30) days after such notice is mailed to Owners.

5. Special Assessments for Capital Improvements and Operating Deficits; Fines. In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement that the Association is required to maintain or for

operating deficits that the Association may from time to time incur. If the Board of Directors adopts any schedule of fines as a remedy for violation of the rules and regulations of the Association or this Declaration, then the imposition of any such fine after notice and a hearing before the Board of Directors shall be a special assessment against the Owner found to be in violation and the Lot owned by such Owner.

6. Notice and Quorum. Written Notice of any meeting called shall be sent to all Members not less than five (5) days nor more than fifty (50) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

7. Uniform Rate of Assessment. Both annual and special assessments (except for fines) must be fixed at a uniform rate for all Townhome Lots and for all Single-Family Lots and may be collected on a monthly basis. Current rates are as depicted on the attached Exhibit "A."

8. Date of Commencement of Annual Assessments; Due Dates. The initial Annual Assessment shall be at the Closing of the transfer of title from the Declarant to the initial Purchaser, and on the 31st of January each year thereafter. LOTS OWNED BY THE DECLARANT THAT DO NOT HAVE COMPLETED LIVING UNITS CONSTRUCTED THEREON AND COMPLETED UNITS OWNED BY THE DECLARANT THAT ARE NOT SOLD, LEASED OR OCCUPIED OR THAT ARE USED AS MODEL UNITS OR SALES OFFICES SHALL BE EXEMPT FROM THE ASSESSMENTS DESCRIBED IN THIS ARTICLE IV AND THE ASSESSMENTS DESCRIBED IN ARTICLE VII. The maintenance responsibilities of the Association as to each Lot shall commence concurrently with the commencement of annual assessments. The insurance assessment provided for in Article VII shall commence as to each Lot on the date of conveyance of said Lot to an Owner (with a pro rata portion of portion thereof for the first year if the closing date is after the first of the year). The Board of Directors shall fix any increase in the amount of annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Directors shall deem appropriate shall be sent to every Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessment on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

9. Effect of Nonpayment of Assessments; Remedies of the Association. Any monthly assessment not paid by January 31st and any special assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or at the highest rate allowed by Iowa law, whichever is lower. In addition, any such assessment not paid within said time periods shall be delinquent and shall be assessed a late charge not exceeding ten percent (10%) of the delinquent assessment or ten dollars (\$10.00), whichever is greater. Any such late charge and interest on a delinquent payment shall also be part of the assessment against the Lot and subject to the lien for assessments created by this Declaration. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of mortgage, or both, and there shall be added to the amount of such assessment all cost and expenses incurred by the association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability

for the assessments provided for herein by non-use of the Common Elements or abandonment of the Owner's lot.

10. Subordination of Assessments Liens. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. The sale or transfer of any Lot shall not terminate the assessment lien against such Lot; provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments against such Lot that became due prior to the date of such sale or transfer.

ARTICLE IX **GENERAL PROVISIONS**

A. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the persons in ownership from time to time of the Lots and all parties claiming under them, and the Association shall have the right to enforce the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorney's fees and the costs and expenses incurred as a result thereof.

B. Amendment. Declarant may amend this Declaration at any time without the approval by the other Owners so long as Declarant has any ownership interest in any Lot. Invalidity of any of the covenants, conditions and restrictions of this Declaration by judgment or decree shall in no way affect any of the remaining provisions hereof, but the same shall remain in full force and effect.

2. a verified claim filed by the Association or any Owner of a Lot in the Kimberley Estates Plat 1 shall be valid binding upon the Association and all the then Owners of Lots in the Kimberley Estates Plat 1, (the "Interested Parties"), and their successors and assigns, with the same effect as if executed by all such persons, and in order to facilitate filing of any verified claim required to so continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, the Association and each Owner of a Lot is hereby irrevocably appointed the attorney-in-fact for all of the other Interested Parties for the purpose of filing any such verified;

3. that in the event of any defect in the verified claim or its filing and recording in the Office of the Recorder for Polk County, Iowa, no interested person or any claiming, by, through or under an interested person shall be entitled to assert such defect as a basis to avoid its duties and obligations under this Declaration unless, if such defect is in a claim prepared by any interested party, such defect is not corrected within thirty (30) days after notice of such defect to all interested parties;

4. that each interested party by acquisition of its interest in the Kimberley Estates Plat 1, or under third Declaration, whether or not expressly provided in any instrument creating such interest, hereby waives its right to assert the failure to file any verified claim required by the Code of Iowa as legal basis to avoid any duty or obligation upon its and its respective portion of the Crossroads at The Lakes Plat 2 throughout the applicable period specified in this Declaration
